

Mykey IT Solutions with more than 20 years of diversified expertise, we combine technology, strategy, and process improvement skills to produce a competitive advantage for business growth. We have provided IT solutions for several industries, including Retail; FMCG Distribution; Manufacturing; Healthcare; Finance; Real Estate; Publishing; BPO Services; Construction and Transportation.

We Create Value and Reduce Cost because we believe in challenging the status quo. The way we challenge the status quo is by creating technology-driven solutions that focuses on efficiency and simplicity.

- ✓ Software Engineering
- ✓ IT Consultancy
- ✓ Infrastructure Management

We provide solutions for Fiber Optic (FTTx) projects, Digital Headend, Data Center, Outside plant and Structured Cabling. Mykey IT Solutions is ideally positioned for the expanding information and communication technologies (ICT) sectors thanks to advancements in fiber optic infrastructure and digital technology. With an unparalleled understanding of comprehensive, reasonably priced solutions, we can provide end-to-end solutions.

FIBER OPTIC CABLES

FTTH Drop cables 1, 2, 4, 6, 8 and 12 core

Mini Figure 8 Fiber Optic Cables 4, 8, 12, 16 and 24 core

Mini Figure 8 Fiber Optic Cables, armoured 4, 8, 12, 16 and 24 core

Figure 8 Fiber Optic Cables, armoured & non armoured 4, 8, 12, 16, 24, 48, 72, 96, 144 & 288 C

We also have the following Fiber Optic Cables (order basis) :

- ADSS
- Indoor
- Submarine
- High Density
- Airblown Fiber Cable/Micro
- Underground
- OPGW

COAXIAL Cables

CAT5 and CAT6 Cable

HDPE PRODUCTS

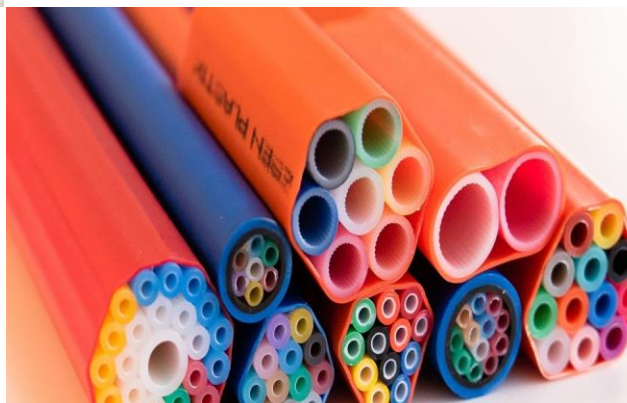

MICRODUCTS - 1, 2, 3, 4, 5, 7, 12 ways

We offer custom made Fiber Optic Cables, HDPE and Microducts (4 to 6 weeks delivery) -

We can do any product Specification according to your requirements

We can customize Cable Print/label for your company for Free

We offer color Stripe customization
